Camp Mend A Heart

Camp Chimaqua

Camp Chimaqua is an overnight weekend camp for grieving children ages 6–12. Camp Chimaqua will be held at Camp Donegal in York County, PA, June 6–8, 2014, from early Friday evening through late Sunday morning.

Our Goal

Our focus is on helping your child learn about loss, develop coping skills and build self-confidence. This is achieved through fun-filled activities and opportunities for small- and large-group sharing.

The activities at both camps are similar with the addition of sessions for adults and opportunities for family time at Camp Mend A Heart.

The Staff

Both camps are staffed by professional counselors and specially-trained volunteers, who assist by providing companionship, support and supervision. At Camp Chimaqua, each camper is individually paired with an adult buddy. A camp nurse is available through the duration of both camps.
