

## **Personality and Grief: A Unique Perspective of Mutual Impact**

### **May 1 – Bereavement Professional Chat Box Transcript**

**Timothy Starks:** I also believe that multiple roles plays a huge part in grief.

**Patrice Martin:** Narcissistic.

**Sarah Winn:** Rigid.

**Jessica Clair:** Narcissistic.

**Marsha Goldman:** Narcissism

**Shellee Amarillas:** Ditto.

**James Powell:** Narcissist.

**Cindy Gourley:** Borderline.

**Elisa Halliley:** Rigid.

**Lynda Sims:** Histrionic?

**Fawn Hendershott:** Could be Asperger's or High Functioning Autism too.

**Lori Williams:** How do you distinguish between a Personality Disorder and Personality Style?

**Lori Williams:** I would so encourage every human, no matter your job, to have some awareness and knowledge of personality disorders and how to deal with them. Wish it was something I'd learned about many years ago!

**Deborah Byrum:** Was his issue really grief? I am not a therapist; at what point do I realize that this is beyond my scope of practice?

**Lynda Sims:** I think his issue WAS grief, he was just avoiding facing it by deflecting onto the stepson.
